RULES OF USE FOR RENTING MUSEUM SPACE****INTRODUCTION**

Situated in the heart of San Sebastián's old town, the San Telmo Museum is housed in a former 16th-century Dominican monastery that has recently been enlarged to include a modern annex. The museum features a range of spaces, some steeped in history, while others modern, offering a number of options, resources and installations for activities and events, including conferences and presentations, business meetings, cocktail receptions, dinner events, concerts, awards ceremonies, etc.

1. RULES OF USE

Priority in the use of museum space will be given to any activity or event organised by the museum itself or any event or activity organised in conjunction with museum collaborators from other institutions.

In addition, different parts of the museum may be hired for other uses subject to approval by the museum management provided that the activity is of interest to the museum, raises no safety or security concerns and does not interfere with the smooth operation of the museum.

Space rental terms, rates and conditions will be those in effect at the time of the booking. If an assembly is needed, it may not affect the facilities: painting, fixing plugs, slashing, construction with contact glue or similar is not allowed without the express and written authorization of SAN TELMO MUSEOA, S.A ..

Smoking is forbidden throughout the museum.

Due to the historical value of the cloister and the church, dancing in these spaces is forbidden.

You may not use liquid products that can damage the facilities, such as artificial smoke, liquids, fire, candles, etc.

2. RENTAL CONDITIONS

- A specific request form must be completed for each rental. The museum management must then give its express authorisation before the contract is signed.
- The prevailing rates at the time will be applied.
- Companies who have subscribed to our Corporate Membership Programme will enjoy certain benefits when using these spaces.

1. HOURS WHEN SPACE MAY BE USED

The use of museum space for other activities will be subject to the museum's opening hours; the cloister, church and courtyard may only be used when the museum is closed to the public, unless expressly authorised by the management. The assembly room and other spaces will be used in coordination with the museum's programme of activities.

Museum hours:

Tuesday to Sunday: from 10:00 to 20:00

Closed on Mondays. Open on public holidays.
